Semester 1

Teachers: Monroe Pagel, Cam and Farrell, Julie

To say that it is a complete joy to have Dalton in our class this year would be a HUGE understatement. He truly brings so much compassion, strength, intelligence, and kindness into our classroom each day. He has a heart of gold and cares deeply for the people around him. Dalton's perseverance and determination to accomplish tasks independently inspires his teachers, peers, and everyone he meets at SMA daily. Dalton values the friendships he has made with his classmates and thoroughly enjoys the sillier moments in class. Recently, he has needed reminders to use his listening ears during large group learning, as he is easily distracted by his friends or other things happening in the classroom. Dalton's kind nature makes it very easy to redirect him when he is not listening, as he would never want to hurt anyone's feelings, including his teachers! Dalton is an incredibly bright, active, and thoughtful participant in class. He truly has a brilliant memory, as he utilizes his senses to remember and recall information. He has already shown a substantial amount of growth in his alphabetic knowledge as he easily sounds out words with teacher support. Dalton's fine motor skills have greatly improved as we have been working on his pencil grip and repetitive writing practice in his journal each morning; the growth in this area has been incredible. As he continues to practice utilizing his literacy and math skills, Dalton's confidence in his abilities will grow exponentially. We feel so blessed to be on this journey with Dalton. His determination and gentle heart have permeated the energy in our classroom, and we can confidently say that he has touched the lives of all of his classmates and teachers forever.
